Sale in Rock County Fairgrounds Sale Pavilion

LUVERNE, MINNESOTA

Sale Starts promptly at 12:30 p.m., C.S.T.

Albert J. Hamann, Sale Manager

ROCK RAPIDS, IOWA

(On the front cover—Marellbar Officer, sire of 45 head in sale.)

General Information

TIME—Tuesday, September 18, 1962. Sale will start promptly at 12:30 p.m. C.S.T.

LOCATION—The sale will be held in the Rock County Fairgrounds Sale Pavilion at Luverne, Minnesota. Luverne is located at the intersection of U. S. Highways 75 and 16.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the seller, Ruud Bros. and the sale manager is notified of the arrangements. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Association.

LIABILITY—Each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident. Every effort will be provided for the safety for those attending this sale but the seller cannot accept liability for injuries that may occur. All persons attend this sale at their own risk.

Statements from the block will take precedence over information given in the catalog.

HEALTH—All cattle will be sold according to the health regulations of the State of Minnesota. Buyers must be aware of any variations between the laws of Minnesota and their own states. Interstate health certificates will be furnished.

CERTIFICATES OF REGISTRY—Certificates of registry with transfers entered and recorded in the buyer's name will be furnished for each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam.

Where footnotes appear in this catalog they were furnished by the seller or written from information supplied by the seller.

VETERINARIAN—Drs. Soehl, Dykstra & Collins, Rock Rapids, Iowa.

AUCTIONEERS—Dick Kane, Wisner, Neb.; Burdell Rowe, Luverne, Minn.

SALE MANAGER—Albert J. Hamann, Rock Rapids, Iowa.

PERSONNEL—Ted Aegerter, American Shorthorn Assn., Seward Nebraska; Bill Stunkel, The Shorthorn World, Aurora, Ill.; J. E. Halsey, Wallaces Farmer, Des Moines, Iowa.

MAIL ORDERS—Those unable to attend who desire to buy may contact any of the above men all of whom will be in attendance. Late bids on sale day can be phoned to the Sale Manager who can be reached at the Luverne Livestock Auction Barn, Luverne, Minnesota.

RESERVATIONS—A number of modern, up-to-date motels can be found in Luverne.

HERD INSPECTION—The cattle will be moved to the sale pavilion the day before sale day. Those who arrive before sale day are welcome to inspect the cattle at the Ruud farm which is located 1 mile south and ½ mile east of Hills, Minn.

BREEDING DATES—Announcements from the auction block on sale day regarding breeding dates are final and will take precedence over data in the catalog.

LUNCH—The Minnesota Shorthorn Lassies will operate a lunch stand on the grounds sale day.

FURTHER INFORMATION—For those wishing further information prior to the sale, either contact the owner, Ruud Bros., Hills, Minn. or the sale manager Albert J. Hamann, Rock Rapids, Iowa.

A Word About The Brookdale Herd

Although the Brookdale herd has been in existence for 52 years this writer has been personally familiar with the herd for 35 years.

I distinctly recall that for many years the Ruuds' traveled many miles to obtain and bring to this area herd bulls of outstanding quality and new breeding. These efforts had a definite effect in improving Shorthorns and beef cattle in general over a wide area in Southwest Minnesota and adjoining Iowa and South Dakota areas.

In my opinion, this is a good, sound, working herd. Further, it is one of the oldest, largest and most richly bred in the State of Minnesota.

If you will study the catalog carefully you will be aware of this fact. Good bulls of nationally accepted breeding have always been used. The cow families are of the most dependable.

The bulls offered will sire beef cattle. The cows have much usefulness left to recommend them. The bred and open heifers are foundation material of real quality. Valuable bull service is being offered. They are a group of cattle that will fit many needs. Many would not be for sale if a semi-dispersion were not necessary.

Therefore, I suggest that every good cattleman be present at Luverne on September 18th to help himself and give the Ruuds' the kind of a sale they deserve for 52 years of dedication to the Shorthorn breed.

ALBERT J. HAMANN, Sale Manager

A Word From The Rudds'

The Brookdale herd was established by our father, the late Olaf Ruud, in 1910. For 52 years Shorthorns have been bred and raised on this same farm where the original herd was established. In 1917 sons Martin and Oscar entered into the operation and the firm became known as Olaf Ruud & Sons until 1949 when Olaf Ruud retired, and the firm became known as Ruud Bros. At this time Delphy Ruud, a sister, retained a few of the original herd females and has maintained a small part of the herd to date. The last several years Roger Rebers has become associated in the care of the herd and also maintains a limited number of females as a part of the herd.

For a good many years the herd has been maintained at about 140 head. However, part of the land holdings are still an estate which must be settled, therefore, about half of the land must be sold. Due to a limited carrying capacity, one-half of the cattle must be sold. Consequently, this semi-dispersion. The herd has been divided as equally as possible so that some members of each cow family are being sold and some retained. We sincerely believe that everyone will agree that the group offered in this sale are fully equal and possibly superior to the group being retained because they average younger ages. We recommend this offering to all buyers and friends as a group of sound, working cattle selling in just thrifty working condition.

From the very start of this herd it has been the policy to buy only the very top herd bulls offered. The reference sires listed in this catalog attest to that fact. Prior to this, herd sires came from such noted herds as Sni-A-Bar Farms, E. C. Baker, Fred Lee, Dean Curtis, Helfred Farms, and Marmac Farms. Through the years improving foundation females have been added to the herd from such well known herds as Clausen Bros., R. J. Egger, Barron Bros., Herman Richter and many others.

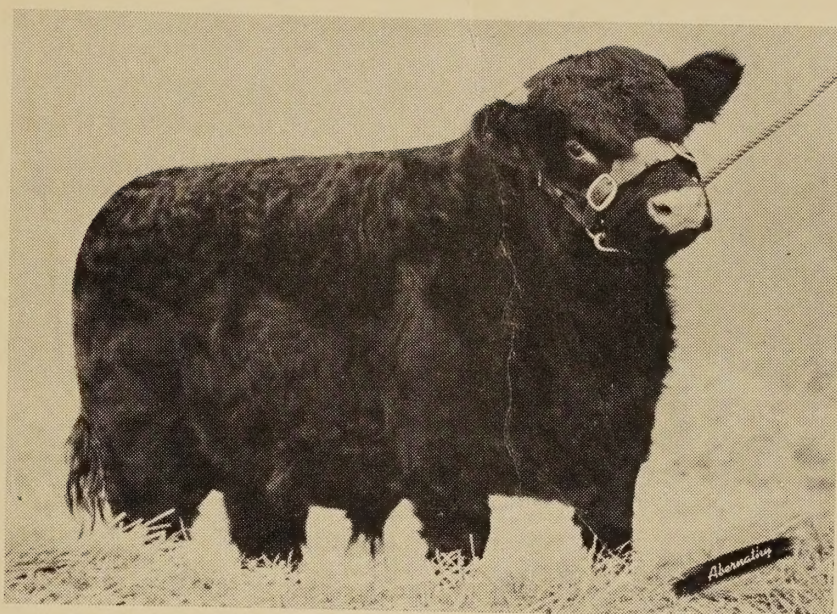

Therefore, as you study the pedigrees of this offering you will find the breeding sound and correct. The cattle are uniform, a quality acquired by 52 years of selection and rigid culling. Our customers have always been well satisfied with our productions.

We regret that we must sell half of our herd but honestly feel we are sharing our best with the buyers and know these Shorthorns will be good to them as they have been to us. Further, since we still have half or about 70 head of the herd left we will still be very actively a part of the Shorthorn business.

Therefore, we cordially invite you to attend our sale, either as a buyer or friend. We believe the offering will please you. In the meantime, please study the catalog and visit the farm and inspect the herd before sale day. You will be most welcome.

We trust you will make plans to be with us sale day.

RUUD BROS., Owners.

MARELLBAR OFFICER—The senior herd sire at Brookdale Farm. He is by Phopachy King Charles who was used successfully at Marellbar Farms and then by Marion Mackey, Clarksville, Missouri, and the University of Missouri. His dam was a great producing cow and the granddam Calrossie Clipper Ray was out of the same dam as the famous Calrossie Harmony. This outstanding bull was sixth prize junior calf and a member of the second prize junior and senior gets at the 1957 International at Chicago. He was purchased in the 1957 Marellbar sale for \$1300 and has proven to be a very prolific sire of good cattle in the Ruud herd. At five years old he is still going strong. He is the sire of six bulls, 27 female lots, and 12 calves at foot in this sale. Twelve females also carry his service.

EDELLYN ROTHES LEADER—A former Brookdale Farm herd sire whose pedigree reads like Who's Who in Shorthorn history. He is out of the world famous cow, Coldoch Bonny Rothes, the dam of the All-American favorite, Edellyn Royal Leader, and other famous progeny such as Edellyn Diamond Mercury, Edellyn Royal Leader 76th, and the two great show heifers, Edellyn Bonny Rothes 4th and Edellyn Bonny Rothes 7th. His sire, Saltoun Squadron Leader, sired many winners and champions at all the major shows. Edellyn Rothes Leader stood 5th in one of the strongest classes ever of 33 senior calves at the 1949 International. In the 1950 Edellyn sale he was purchased by Almahurst Farms, Nicholasville, Kentucky for \$5000, the second top of the sale. After nearly three years of successful service in the Almahurst and Coldstream Farms herds of Kentucky he was obtained by Ruud Bros., for whom he sired many good cattle. He is the sire of 11 females in this sale and many of the dams of cattle selling are by him.

NORTHWOOD PIONEER BONUS—Our junior herd sire by the great Bapton Pioneer that we purchased as a ten months old calf in the record breaking Northwood Premiere Shorthorn Sale in October, 1961, at Cary, Illinois. This calf was considered as one of the top prospects in that great sale. His dam is an outstanding young female and the granddam is one of the top cows in the noted Northwood herd. This strong young bull was put into service in the Ruud herd in 1962 being used mainly on the heifers by Marellbar Officer. Twenty females that sell will carry his valuable service.

MARELLBAR PROVIDER—A good sire that was used in the Brookdale herd. Exceptionally well bred, his sire is the noted Perth reserve champion, Cruggleton Leishman. His imported dam was by the famous Cruggleton Braemar. Although injury at an early age he left some very good cattle. Three females sired by him sell and dams of several cattle selling are by him.

A Typical Brookdale Farm Production.

The Six Bulls That Sell

Since the six bulls selling are all sired by Marellbar Officer, and the dams represent our good female families all sired by our former herd bulls, we have dispensed with the use of individual pedigree description footnotes and will summarize them in these paragraphs.

The sire and sires of dams of these six bulls are listed as reference sires in this catalog together with their pedigrees and footnotes covering their breeding and records. You will agree that only top sires of the very best of Shorthorn breeding and ancestry appear in their pedigrees. These bulls are herd bull material that will breed on.

Further, they are good individuals that are lowset, deep, heavy boned, solid colored with lots of natural thickness and muscling. They have lots of quality and adequate size. Also, four are ready for heavy service and the other two for light service. These bulls will sire modern day beef cattle. Look them over carefully sale day.

MEMO

Standard Guarantee

OF

AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given to purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after the date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this Sale will be backed by the above Standard Guarantee.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bang's Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
